CAPTAIN MARVEL: ON BORROWED TIME

Captain Marvel lost a battle with cancer in one of the most memorable deaths in comic history. Now, this great cosmic hero has been plucked from the past, where the cancer had only begun to ravage his body, and thrust into the present-day Marvel Universe in *Captain Marvel*!

Fans clamored for answers surrounding Mar-Vell's return and they'll come in *Captain Marvel*, a 5-issue limited series from Brian Reed (*New Avengers: Illuminus*, *Mr. Marvel*) and Lee Weeks (*Daredevil*) with covers by Ed McGuinness (*Fallen Son: Avengers*), that not only delves into the soul of the man called Mar-Vell, but also ties into major Marvel events for 2008!

"Captain Marvel is a story about a man out of time," said Reed. "Imagine you're traveled forward in time a few years and learned that you have passed away from cancer. What would you do? How would you react? If you're a proud soldier like Captain Marvel, you get right by angry about the cards fate has dealt you, and you decide to try and do something about it. The big problem is, that there's no ongoing history. Captain Marvel said adieu from cancer. But what he does with his life before that time is what matters."

For those new to Captain Marvel, Reed promised the series is a perfect introduction to one of Marvel's most nuanced and cherished cosmic heroes. As a member of the war-mongering alien race called the Kree, Mar-Vell betrayed his people to protect Earth and the potential he saw in humanity.

"Our story involves Mar-Vell experiencing an accidental bit of time travel, sometime between his exposure to the gas and his discovering the cancer," Reed revealed. "I say 'sometime' because Mar-Vell's time travel has resulted in a bit of amnesia that has caused him to be unsure of what happened to cause the jump through time. Uncovering the source of that amnesia, and the truth behind why Mar-Vell is walking around in the modern-day universe is the backbone of this miniseries."

This winter, Mar-Vell once again dons the Nega Bands to protect Earth, all while coming to terms with his own mortality in *Captain Marvel*!

X-MEN FIGHT FOR THE FUTURE

ILLUSTRATION © MARK AYRES/DAZN

X-Men: Messiah Complex, the first X-Men crossover in over a decade, is almost here and this exciting X-over is guaranteed to shake up the X-Men's corner of the Marvel Universe and turn it on its head!

The X-event X-Men fans have been clamoring for begins in *X-Men: Messiah Complex One-Shot* and continues this November in Parts 2-5: *Uncanny X-Men #492*, *X-Factor #25*, *New X-Men #44* and *X-Men #205*.

M-Day has left mutantkind as "Endangered Species" and despite the best efforts of Marvel's premier geneticists, this will accurately be the last generation of Homo Superior. The Beast has failed in his quest to change the events of M-Day, and that means lost lives for mutants.

But now as all seems lost...a single mutant baby is born. A harbinger of hope has arrived. But the X-Men aren't the only ones aware of the birth, as other factions, including the Marauders and the Purifiers, ignite a war to claim the child.

In *Messiah Complex*, the stakes have never been higher for the X-Men. They're not just fighting for their lives, they're fighting for an entire species. And this war will bring new alliances, new leaders and deadly consequences.

WHEN THE WAR ENDS, WWH: AFTERSMASH BEGINS

The events of *World War Walls* are borne throughout the Marvel Universe as Tony Fox and Bob Sandberg present a Web-based story in *WWW—Aftershock* featuring the Webhead, the X-Men's former foe, Iron Man and more!

After the vector of *World War II* is declared, the heroes of the Marvel Universe must deal with HYDRA, *Ghostmask*, *Flying Saucer*, *World War II* (the Big Apple is in ruins, both organized and unorganized forces come in the great city's aid, *Master of the Five Senses*, *Spider-Man* and *Luke Cage* must together in a special way the remaining members of *Hulk's* *Whodunnit*. Also, who will *HYDRA* *Ghostmask* spell for *Avengers* *Chase* and *Iron Man* who are still not heard to *Black*?

And if that wasn't insubtle enough, *downsizing* grows within the ranks of Wall's Workbound while *harrow* boards down. After the check, you truth behind the dinner on *Salmon* is revealed, a new conflict is gaps in time with the Workbound. You can the *Marble* *Harmon* really *what* is another one? *More* *amusement* can New York City?

WWW *Aftermath* recounts the tale of the criminally sentenced

World War II's limited series, and directly leads into the launch of one of our new Marvel series: the new ongoing **Deadly Hands of the Dragon**, as well as the limited series **WWM: Aftermath** – **Damage Control** and **WWM: Aftermath** – **Madness**. The war may be over, but battles will rage on in **WWM: Aftermath**.

Also, he said not to make the beginning of a brand-new division for Incredible Bulk. Keeping an all new "newbie" line, starting in Incredible Bulk #172.

NOTES AND REFERENCES

BLOGS ARE BACK IN TOWN!

News, previews, ads, videos—um, Marvel.com has all that. But, what you may not know is that the official home for all things Marvel also sports a number of exclusive blogs, written and maintained by Marvel staffers.

Of course, the most notable is Executive Editor Tom Ierovino's *'Blah, Blah, Blah.'* With over 200 entries, it affects everything from Greek gods to upcoming comics to fan Q&As, to behind-the-scenes notes that you won't find anywhere else.

And, secondly, a number of other editors joined the Blogger Bay Associate Editor Nicole Boone provides a unique look at comic panels for parents, teachers and librarians in "Comics for All" Assistant Editor Aubrey Sitterson explains the process of creating comic by interviewing a plethora of Marvel creators. And, of course, Associate Editor Nate Cosby runs "Hey! All! Comics!" an upstarts blog focused on all things kid-friendly.

Then there are the ever-present "Cap of Joe," by Joe Quercia and "Spy in the House" by Agatha ML, as well as Great Miss and Incredible Hulk movie hints.

BREAKING IN

WITH ANDY LANNING & DAN ARNETT

Andy Lawson

When I was in my last year of an college internship Design Degree and Illustration, I began attending the SHS the Society of Creative Screen Writers, as Linda called it. I got up with some of my closest friends, Garret Lloyd Johnson, Bryan Talbot, Anita Ratson, David Graham and Phil Dawson. They told me that a UK went to cinema could look at several areas if we were along with any possibility of drawings and life say my first paid professional work drawing Ray George's life story! This was several months before [Technology] I guess I was a lucky soul! It was so fun to draw Bryan Woose and Bryan Ratson the Lords which led to me going with the Marvel UK on the Gladiator course, where I met Dan, he had set out his making up boys stuff together and the rest is automatic, as they say!

Dan Abner

"When I was a kid, I used to love drawing pictures and writing stories, and when I discovered comics at about the age of eight, I realized there was a way to do both things at the same time. I spent a lot of time as a child as a young teenager making my own comics. After university I landed an editorial job in *Murder in London* and found out how comics worked. I did a little freelance work and then went freelance full time. *Andy and I* started that time and we realized that if writing comics was too long writing on a letter and drawing would also prove out making each other laugh all the while was more *MURDER*."

SILVER SURFER: IN THY NAME

Prepare yourself for a glimpse at the uncharted seas of the Marvel Universe in *Silver Surfer: In Thy Name*.

Norman Reed has immersed much of the known universe during his time as *Galactus*' herald. Now, the cosmic animal continues his journey through the void alone. Writer Simon Spurrier (*Guardians*) and artist Tan Eng Huat (*Down Fall*, *Immortus*) take the *Silver Surfer* to the farthest, unknown reaches of existence as he discovers that even in the midst of a galactic stop, horror is never far away.

Silver Surfer: In Thy Name finds Norman Reed facing off against organic-creating space pirates, demonic beasts and a race of alien avatars. Offering up a glimpse of previously uncharted territories within the

Marvel Universe, the *Surfer* discovers allies, never-before-seen galaxies, planets and alien civilizations.

This four-chapter comic adventure features dazzling artwork by the dynamic Tan Eng Huat, an endlessly inventive script by Simon Spurrier and a jaw-dropping first issue cover by Michael Turner.

Silver Surfer: In Thy Name is an action-packed epic trek through the vast cosmos featuring your favorite Sentinel of the Spaceways, the *Silver Surfer*!

THE HOUSE OF M ASSEMBLES ONCE MORE!

In one small moment, the mutant known as the Scarlet Witch twisted the world upside down and created a new reality in which mutants ruled—the House of M. While the true reality was eventually restored, many stories from the world never existed in that world—and now. Bringing from Bendis and Campbell's blockbuster miniseries *House of M*, comes *House of M: Avengers #1* (of 3), the story of Earth's Mightiest now mutants.

"It takes place in the alternate world of the *House of M*, in which Magneto has conquered the world," explained series writer Chris Claremont. "Mutants are the majority, humans—or 'aspects'—are the downtrodden minority, and familiar heroes find unfamiliar lives. Our main series focuses on Luke Cage and his band of freedom fighters, the Avengers. It doesn't take place at the same time as the previous *House of M* series, instead, we explore the rich history of this alternate Earth, beginning in 1959, when the human mutant war ended and the world drastically changed. We'll see how Luke and his team came together, their triumphs and tragedies, and the opponents who

tried to take them down. Plus, you'll find *House of M* versions of characters you haven't seen before, like the Punisher!"

This project also reunites Gage with artist Mike Perkins, whom he worked with on the critically acclaimed *Union Jack* limited series. "Mike's such a great talent. I'll jump at any chance to work with him. He puts that much thought and effort into everything he does, as readers of *Captain America* know well."

Once Gage wraps up this series, he's looking forward to returning to the *House of M* and has a few exciting stories in mind. "With all those years of mutant history and so many characters we haven't even seen yet, I think there are plenty of stories left to tell!"
